Dark Road Crack +

-D... Score 4.0 Dark Road An appealing dark, purple glassy theme for Windows XP and Vista. Dark Road is a small, lovely Win 7 theme designed to enhance your desktop with an image of a lonely, empty road, making it a little creepy. If you like the quiet of an empty road and want that reflected on your desktop then Dark Road might be the theme for you. Dark Road Description: -DARKROAD DESCRIPTION -Theme Features : -Theme is compatible with Windows XP, Vista and Windows 7 -Theme comes with "Go Home" and "Add to Homegroup" in each folder (if you right click on any folder it will show you "Go home" and "Add to Homegroup") -Theme can also be automatically added to your Windows Explorer favorites folder. -Theme can be changed by changing the background image. Want to publish any reviews on Dark Road theme? Do you want to write any new posts about Dark Road theme? Share this information with friends, help them to get better assistance from us! It's not working. I followed the instructions to the letter. Downloaded the.zip file from the site, downloaded the.reg to register the.theme extension. The icon and the grey road map is fine. But when you go to change it, nothing happens. Dark Road is a small, lovely Win 7 theme designed to enhance your desktop with an image of a lonely, empty road, making it a little creepy. If you like the quiet of an empty road and want that reflected on your desktop then Dark Road might be the theme for you.
