T.V2.0. in action category on YOUTUBE. This video is best for jackie chan hd 720p,.Article content When it comes to food, we Canadians may be the most picky eaters in the world. And it doesn't matter what country we're living in. In a study conducted in 135 countries, around two-thirds of participants liked the food they ate at home and two-thirds of those who like what they eat don't like it outside of their home country. But that varies. We apologize, but this video has failed to load. tap here to see other videos from our team. Try refreshing your browser, or Why we're so picky eaters: Are Canadians the most picky eaters in the world? Back to video "At least 30% of all respondents in every country have a somewhat annoying preference for their own food. Their cuisine might be too spicy for them, or may otherwise have peculiarities, they don't like to see the food they eat anywhere else, or they dislike a specific type of food," 6d1f23a050
